Date of Birth: 21 September 1964
Nationality: Australian, US Green Card
Other: US Driving License, PADI Open Water Diver
Health: Excellent, non-smoker, no tattoos, current ENG1
Current Location: San Diego, California

PROFILE

I am a thorough, dedicated Captain and professional yachtsman currently seeking a permanent position aboard a motor yacht. I take great pride in maintaining the highest possible standards of safety and maintenance onboard, while also delivering the best possible experiences for guests and owners. Having successfully run many private and charter yachts worldwide, I have a sound reputation for accuracy in ISM and ISPS procedures, administration and adherence to regulations. My leadership and bridge experience includes driving, navigation and watch-keeping. I also enjoy teaching junior crew important skills and inspiring them to take pride in their work. Having participated in many lengthy refits and yard periods I have also built effective professional relationships with contractors and suppliers to get work completed to exacting standards, on time and under budget.

In recent years I have spent a lot of time in Maritime school and delivering yachts worldwide to gain the Seetime required for licensing. This required me to take several short-term positions, and now I hope to regain my former longevity in a permanent position for many years to come.

MOTOR YACHT EXPERIENCE

37m MY Andiamo, Benetti – Jun17 – Jul17

Captain

Forth of July Fireworks Dinner cruise & other guest trips in Miami waterways as Relief Captain. More relief work including MY My Way, 34m Westport Oct16 & MY Crownroyal, 24m Lazzara. More maritime schooling and vacation travel.

33m MY El Mirar, Horizon – Oct14 – Sept 16

Captain/Engineer

A busy private yacht with 2 years of service in California & Mexico. Including lots of guests trips with celebrities & family entertaining. When I joined the yacht I repaired the hydraulics & machinery equipment to avoid any further breakdowns. Implemented procedures in place for scheduled maintenance including a detailed log. Reorganised the interior & deck, trained the crew which all led to providing a higher level of service for owners and guests.

37m MY Gladiatore, Benetti – Jan14 – Aug 14

Captain

After receiving Master of Yachts 500gt in 2013, I flew to Hualtuco, Mexico and delivered the vessel back to San Diego for a Refit. It is currently undergoing a five-year survey with ABS as well as multiple engineering projects etc. with several contractors.

26m MY Aquadisiac, Azimut – Dec 12 - Jun 13

Relief Captain/Engineer

After an 18-month \$1 million refit I was contracted to organize and establish the yacht as a successful charter vessel in Mexico for the winter season. Responsible for all engineering, I redesigned the interior, creating a 5-star experience for guests.

47m MY Just J's, Delta – Jul 12 - Nov 12

Relief First Officer

Fresh out of the Delta shipyard, I was responsible for a lot of procedural organization, implementing operational and safety procedures, crew training and compliance for ABS classification in addition to being responsible for multiple tenders and toys, including a 41-ft. fjord and 36-ft. (high-speed) deep impact.

73m MY Laurel, Delta – Apr 12

OOW Delivery Watch Leader

On this trip from Ft. Lauderdale to Genoa for the MYBA Charter Show I was responsible for a 26-man crew and full watch procedures. I also had the pleasure of teaching the junior crew bridge operations and Colregs, as well as assisting with deck, safety and emergency drills.

60m MY Solemates, Lurssen – Mar 12 - May 12

OOW Delivery Watch Leader

Assisted in two deliveries aboard this yacht, from Ft. Lauderdale to the Bahamas and later from Ft. Lauderdale to Gibraltar.

30m MY W D Evans, Custom – Mar 10 - Aug 11

First Mate

This U.S. Coast Guard inspected commercial vessel averages 200 passengers per day with a maximum capacity of 575 guests. I was in charge of bridge operations and supervising 13 crew, as well as a busy maintenance schedule including annual yard periods in San Diego.

26m MY Anaconda, Hakvoort – Sep 04 - Dec 04

Captain

Under my command this yacht operated privately on the Eastern seaboard cruising from Manhattan to Miami with 2 crew and as many as 4 guests. Based in Chelsea Piers New York, we also prepared the vessel for future charter.

Alexander Frew | Captain 500gt Unlimited

+1 401 855 5553 | alexjfrew@hotmail.com | +5216241590968

20m MY Glory & 23m MY Scout – Jun 04 - Sep 04

Captain

These two classic wooden charter boats were based in Newport, RI and operated with 2 crew and up to 6 guests. We spent a busy back to back charter season cruising from Newport Rhode Island to Martha's Vineyard, Nantucket and Block Island.

SAILING YACHT EXPERIENCE

23m SY Amneris, Alden 76 – Oct 06 - Nov 08

Captain & Refit Manager

During three very successful and busy charter seasons operating with 3 crew and up to 6 guests, we cruised from Newport, Rhode Island to Boston, Cape Cod, Martha's Vineyard, Nantucket and Block Island, as well as throughout the Caribbean. With guest feedback overwhelmingly positive, we succeeded in securing several repeat charter bookings for our management company. Following our third busy charter season I spearheaded a half-million-dollar, full 6-month refit in Ft. Lauderdale, Florida. All work milestones were completed on time and under budget.

18m SY May Breeze, Swan 60 / 34m SY Highland Breeze, Swan 112 – Feb 05 - Oct 06

Captain, First Mate/Relief Captain

I first joined May Breeze in Westbrook, Connecticut where we went on to complete two full seasons cruising extensively with our owners throughout the Caribbean and Bermuda with up to 4 guests and 2 crew. I then took possession of the owner's new yacht Highland Breeze in Piraeus, Greece and personally delivered her as Captain to Ft. Lauderdale where we converted some systems to U.S. for more effective chartering. I then transferred the vessel to the newly appointed Captain (a Class 4 Captain and Y2 Engineer) and took on the role of First Mate. We chartered heavily in Bermuda and New England with 6 crew and 6 guests.

SMALLER SAILING YACHTS, DELIVERY & RACE CREW EXPERIENCE

My other sailing yacht experience includes a wide range of private and charter vessels from the **40m Perini Navi Gitana** and **19m Sloop Disco Volante** to various smaller yachts, during which I have been Captain and mate, cruising worldwide. I have sailed extensively throughout the Eastern Seaboard of the U.S., Coral Sea, South Pacific Ocean, Tasman Sea, Caribbean, Mexico and the Mediterranean. I have also carried out several Transatlantic deliveries as Captain, First Mate and Watch Leader on sailing yachts ranging from 18-24m and have successfully participated in several regattas as race crew including three Sydney-to-Hobarts and multiple St. Barths Buckets, notably winning the 2004 Heineken Regatta and placing 3rd during 2004 Antigua Race Week.

REFIT EXPERIENCE

In addition to the major refit onboard **23m SY Amneris**, I have been involved in several extensive refits in many shipyards worldwide, ranging from 1 to 6 months. The yachts have included **50m Hakvoort MY Lady M**, **45m Dubois SY Lady B**, **46m MY Princess Valentina** and **37m Benetti MY Gladiatore**. My duties have included re-commissioning systems, maintenance and repairs, and cosmetic refurbishment. Throughout these refits I've developed working knowledge of many electrical and mechanical engineering systems, and have built lasting relationships with every yard and project management team involved.

PREVIOUS PROFESSIONAL EXPERIENCE

Prior to yachting I spent 12 years working in accounting and finance, in Australia, London and New York, as an assistant trader with up to 400 people on the trading floors of large investment banks. The experience of being accountable for large sums of money developed my attention to detail and my ability to make urgent decisions calmly.

INTERESTS AND HOBBIES

I enjoy rugby, snowboarding, surfing, restoring classic muscle cars and learning more on mechanical engineering.

Chief Stewardess

Personal: Responsible, trustworthy, high-energy, attention to detail, excellent service and communication skills. Work well individually and as a part of a team. I enjoy traveling, yoga, walking and learning new skills. Have many years of office administration & hospitality experience. I bring enthusiasm, a good nature and a strong work ethic to a crew, and strive to deliver a great experience to the owners/guests. I describe myself as mature, intelligent, and a good team player. I am active and fit and enjoy hard work. My previous experience as being in charge of 15 female housekeepers in Property Management makes me an excellent leader enjoying the process of instruction. I inspire and solve problems effortlessly. I create a first class experience for owners. With a corporate background as a personal Assistant dedicated to making the lives of busy executives easier, has always assisted me getting the job done on time and under budget.

Objective: I am seeking a team position with my partner as a Chief Stewardess on a vessel where my hospitality background, organizational skills and positive attitude will attribute me as a valuable team player, especially when it comes to delivering impeccable guest service. To improve my watch keeping skills and study for my yachtmaster, as to assist the Captain with the safety of the vessel, crew and guests.
