Overview:

I have raced and cruised throughout the Pacific Northwest for nearly 40 years. I have owned sailboats and powerboats ranging in size from 8 to 40 feet. For 4 years my wife and I had the good fortune to live on our trawler (Pilgrim 40 "Snug at Sea") enjoying the live-aboard lifestyle in Vancouver's Spruce Harbour Co-op Live-aboard Marina. After 8 years of ownership, we sold our trawler to enjoy other leisure activities.

Currently our Panda 40 Pilothouse sailboat named "Quadriga" provides us continued coastal cruising opportunities to this day.

With respect to racing, I started sailing competitively in One Design Fireball and Martin 24's in 1977. My experience ranges from Lasers to 73 foot turbo sleds. Throughout my racing career, I participated in local and international inshore and offshore events.

Highlights over the years include the Victoria to Maui race, 10 Georgia Straight races, 21 Swiftsures and 12 Whidbey Island Race Weeks (6-1st, 3-2nd, 1-3rd & 2 Fun Weeks). I worked a variety of positions over the years, which provided me with a solid foundation, insight, appreciation and importance of these positions to establish and maintain seamless integrated teamwork and communication.

Over the years having had the good fortune and opportunity to sail with quality caliber sailors, my racing skills were honed to a level which supports the performance and tactical aspects of a boat.

Outlined below are just a few highlights of my racing career:
