

NICHOLAS ALLEN BROWN

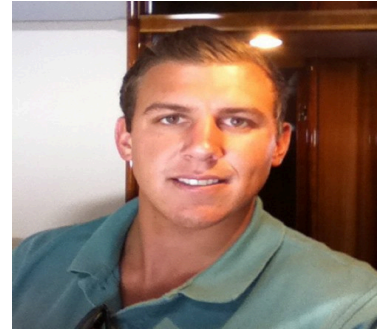

Dana Point, CA USA

US Citizen with valid passport and driver's license

Date of Birth: 29 NOV 1984

Phone: +1 949 285 1832

E-mail: nickb9449@hotmail.com

Objective:

Seeking an opportunity to progress my yachting career as a Captain or Mate onboard a professional power or sailing yacht with ambitions for extensive cruising and/or circumnavigation.

Summary of Qualifications:

- USCG Master of Vessels 200 ton domestic/500 ton ITC
- MCA Yacht Masters Near Coastal
- Able Body Seaman-Unlimited
- Licensed FCC Operator
- Radar Observer and ARPA
- Bridge Resource Management
- Survival Craft
- Advanced Fire Fighting
- Open Water Diver
- Extensive sailing cruising

Employment History:

First Officer - M/Y Rena – 147' NQEA – Private and Charter - 2011-2013 – East Coast US, Bahamas, Caribbean, Europe, Baltic Sea, Mediterranean.

Served as First Officer aboard the M/Y Rena with an extensive cruising itinerary. Implemented and executed an ISM compliant detailed preventive maintenance and safety program. Responsible for voyage planning, crew and project management, ship handling and keeping crew morale positive.

Master - M/Y Fighting Irish – 75' Queenship – Private Fractional Ownership- 2008-2011 – US California and Mexico West Coast

Two crew operation I fulfilled all aspects necessary to manage a yacht i.e. Captain, steward, deckhand, engineer. The yacht had a very active schedule.

Fleet Master – Harwal Marine – Private - 2007-2008 – US West Coast

Acted as master aboard a fleet of vessels for the American based yacht company Harwal Marine. I was intimately involved with the commissioning with two different yachts in Holland eventually delivering them to Cannes, France for the prestigious yacht show.

First Officer - M/Y Fighting Irish – 145’ Westship – Private and Charter - 2006-2007 – US East Coast, Panama Canal, Central America, US West Coast

I was responsible for route planning, guest scheduling and crew training. I had three crew members who reported directly to me. I was entrusted with the safety of both the crew and guest on many occasions while I acted as master for various trips.

First Officer - Catalina Freight – Commercial Tug Company - 2004-2005 – CA, USA

Acted as watch supervisor onboard two 85’ commercial tug boats pushing and towing large container barges. I was responsible for maintaining logs for vessel traffic correspondence, as well as normal deck duties on a tug boat. I also operated heavy equipment (i.e.: forklift, warping capstans, cranes).

Master - M/V Catalina Explorer – Passenger Ferry - 2002-2005 - California, USA

Responsible for four crew and up to 150 passengers. In charge of keeping accurate and precise logs to be viewed by USCG and maintained commercial passenger vessel compliance.

Master – Dan Brown’s Boat Service – Yacht Maintenance and Management – 2000 – 2005- CA, USA

Served as master on numerous yacht deliveries on US West Coast from Oregon to the Sea of Cortez, Mexico. Assisted family business in all aspects of yacht upkeep and maintenance including carpentry, paint, electrical, plumbing, shipyard management, etc.

Interests:

Avid Surfer, diving, fishing, cycling, reading, woodwork, hiking, exercise, sailing, travel, playing music.
